Start Exploring!
A simple, secure way to manage your health.

- Use E-visits to **request Covid-19 testing**, **test results**, and **vaccination**.

- Also use E-visits to **get online care for common conditions** like the flu, skin rash, urinary tract infection. Get a reply usually within 2-hours.

- **Schedule routine appointments** – online, by phone, or in person.

- **Email your doctor's office** with nonurgent questions.

- **Fill or refill most prescriptions** by mail or in person, check the status of a prescription order, see a list of all your medications.

- **View your medical record**, including allergies and immunizations, ongoing health conditions, and most lab test results.

- Access your **digital membership card**.

- Find facilities, doctors, and pharmacies near you.
